Section 1. NAC 639.7425 is hereby amended to read as follows:

639.7425 1. No person may act as a dispensing technician unless the person is:

(a) A registered pharmaceutical technician; or

(b) Employed at a facility to which a certificate of registration has been issued pursuant to

NAC 639.742 and the dispensing practitioner at that facility has registered the person as a dispensing technician.

2. A dispensing practitioner may apply to the Board to register a person as a dispensing technician by submitting to the Board the fee required by NAC 639.744 and proof satisfactory to the Board that the person:

(a) Is 18 years of age or older;

(b) Has received a high school diploma or its equivalent;

(c) Has not been convicted of any felony or misdemeanor involving moral turpitude, dishonesty or the unlawful possession, sale or use of drugs; and

(d) Does not have a history of drug abuse.

3. Upon determining that a person for whom application for registration as a dispensing technician has been made by a dispensing practitioner satisfies the requirements of subsection 2, the Board will issue to the person a provisional registration as a dispensing technician for that practitioner.

4. A person acting as a dispensing technician pursuant to a provisional registration must complete at least 500 hours of training and experience provided by the dispensing practitioner relating to the skills that the person will be performing as a dispensing technician for that dispensing practitioner. Only that training and experience received by the person after the provisional registration is issued may be applied to satisfy the 500-hour requirement. In providing the training and experience, the dispensing practitioner shall supervise the training and experience of the person by observing the work of the person on a random basis at least three times each day during which the person is receiving training and experience.

5. A provisional registration issued to a person acting as a dispensing technician expires 12 months after it is issued or upon the expiration of the certificate of registration of the dispensing practitioner to whom the dispensing technician is registered, whichever is earlier. If a person acting as a dispensing technician pursuant to a provisional registration:

(a) Fails to complete the required 500 hours of training and experience before the expiration of the provisional registration, the person shall not act as a dispensing technician unless he or she is issued a new provisional registration pursuant to this section. Any hours of training and experience completed by the person while acting as a dispensing technician pursuant to a provisional registration that has expired may not be used to satisfy the 500-hour requirement for a new provisional registration.

(b) Completes the required 500 hours of training and experience before the expiration of the provisional registration, the dispensing practitioner shall file with the Board a signed affidavit certifying:

- (1) The number of hours of training and experience successfully completed by the person.
- (2) The specific training and experience received by the person.
- (3) That the person is, in the opinion of the dispensing practitioner, competent to perform the duties of a dispensing technician.

6. The Board, upon receiving the affidavit of the dispensing practitioner pursuant to subsection 5, will issue to the person a certificate of registration as a dispensing technician for that practitioner.
